encouraging business in the community

WBT is representing, encouraging, and promoting all business in the Wincanton Area.

- If you are in business in or around our High Street.
- If you are in business in our multiple Trading estates.
- If you are self-employed working from home.

WBT's aim is to help our Business Community to grow and thrive, even in today's difficult financial climate. The annual Christmas Extravaganza was our first major project. However, WBT has other plans for our Business Communities. But to do this we need your help.

1. We need you all on-board. Membership of WBT is the starting point. The more members we have, the greater the influence we carry to local and regional bodies on your behalf.

2. We also need people to step up to the plate and help with the organisation and running of WBT.

WBT currently has a list of great ideas that we would like to see come to fruition in our community in the near future. But as we stand, we are a very small group of volunteers, and we need much more help. With your help WBT can help make a difference.

So, as you wander around town enjoying this 2011 Extravaganza we appeal to you to join us if you own/run a business in this area full/part time. Go to our website www.wincantonbusiness.co.uk and download an membership application form.

If you are even just toying with the idea of starting your own business, contact us and chat to us. We have access to information Locally, Regionally, Nationally, and even Internationally. Let WBT help and encourage you. Contact us via our website.

On behalf of my self and my amazing committee, we all wish you a wonderful Christmas, and a Happy New Year.
