

What courses would you be interested in?

The WEA is an adult education charity, we are funded by the Skills Funding Agency in the same way that the local colleges are. This means that if people are receiving a means-tested benefit then the tuition is free.

The WEA is quite a unique organisation in that we ask our students/volunteers what courses they would like. We would like to run some leisure courses in the Balsam Centre and would welcome your input.

Please can you indicate your preferences below and return the form to reception by Friday 17 January.

NB you can tick as many as you are interested in

Thank you

World religions	
Personal development eg confidence building	
Ornithology	
Jewellery making	
Drama	
Current affairs
