

Silent Art Auction

by local Artist

Diane Coe

Fancy owning an original piece of art, from a local reputable artist, at an affordable price?

Diane Coe (*an established artist living in Charlton Musgrove*) has kindly donated a number of original art pictures from her private collection to be auctioned for the benefit of St Andrews Church, Stoke Trister.

This silent auction is a once in a lifetime opportunity.

Get to know a little bit more about Diane Coe, the local artist behind the pictures

Diane has exhibited her work, over many years at Sherborne; the Bath & West Show; Bruton Art Society; several local exhibitions and Yeovil Hospital.

Diane's finest moment came when the Hellenic Centre in Marylebone, London invited her to have a free, solo, month-long exhibition in their large hall. This required a minimum of 80 framed works, which included some of her Pyrography/Fretwork pieces.

Colour has influenced Diane's whole life (having lived her first 21 years in Cyprus). Movement (dance in particular) ruled many of her earlier years. Both colour and movement are excellently portrayed within Diane's private auction.

Diane will be attending the auction and would be happy to answer any questions.
